Unit & Lot #:				
Site Address:				
	• •	ereby requests a variance from <i>i</i>		,
The variance requ	ested is as follow	rs:		

Attached with this application are stamped, unsealed letters to all property owners of property within three hundred (300) feet of the property. These letters explain what variance I am requesting and ask the addressees to respond directly to the MCA within 30 days of receipt of the letters with their comments both positive and negative to me request.

I understand the if 50 % or more of the responses are negative the variance will not be granted and that positive responses do not automatically mean approval of the variance.
