### **Celebrating Winter Magic in Meadview**

Winter in the high desert holds a unique charm that captivates the hearts of residents and visitors alike. As the temperatures drop and the crisp air fills the atmosphere, the desert transforms into a serene landscape, providing a perfect backdrop for the joyous holiday season. In our little desert community, we embrace the spirit of winter wholeheartedly, ushering in the holidays with warmth and enthusiasm.

One anticipated event is the Christmas lights display on December 17. The community gathers at the MCA to celebrate the folks in our community who embrace the spirit of the Holiday season to decorate their houses with artful and beautiful lights.

Beyond the enchanting lights, our community dedicates itself to spreading joy through various fun activities. A heartwarming tradition involves collecting presents for local kids, ensuring that every child experiences the magic of unwrapping a gift during the holiday season. The joyous laughter of children and the smiles on their faces reflect the true spirit of giving and sharing.

Meanwhile, winter serves as an opportune time for essential repairs and enhancements in our community. The MCA is taking advantage of the wonderful weather we have been experiencing to renovate our miniature golf course. We would welcome the assistance of any volunteers willing to help as we need carpenters, painters, and anyone with experience in cement work to assist in upgrading the miniature golf course. A sign up sheet will be available at the MCA office in early January.

Our nature trail and pool are also undergoing winter maintenance, guaranteeing that these amenities remain in good condition. The nature trail, flanked by unique desert flora endemic and native to our area, becomes an ideal spot for winter walks, allowing residents to connect with nature while savoring the cool desert air. The pool, a refreshing oasis during the spring, summer, and fall will be receiving attention to ensure it remains a hub of relaxation and enjoyment for the community.

In conclusion, winter in our community is a time of fun and a chance for reflection. As we bask in the glow of Christmas lights, contribute to the happiness of local children, and attend to the upkeep of our community spaces, the MCA helps to ensure the vibrance and uniqueness of our community.

Winter in the desert is not just a season; it's a magical experience that brings our community closer together.

President - Ron Balsamo

## NEW YEAR CHALLENGE:

Send us your best picture taken in or around the MCA Facility. Email it to [mca@citlink.net](mailto:mca@citlink.net) along with a story or caption about your visit.

The photos on this page were taken by Addie Ellery. "I was heading into work at the MCA Office when I was struck by how beautiful the sky looked. We are blessed with this beautiful facility that is so well maintained (thank you Michael & Fred). The Nature Walk is AMAZING!"  
~ Addie

The MCA's Board of Governors has requested members to fill out a "**Recommendation & Suggestion**" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med. The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give you name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.

Joshua Tree Forest

[arizonajoshuatreeforest.org](http://arizonajoshuatreeforest.org)

[arizonajoshuatreeforest@gmail.com](mailto:arizonajoshuatreeforest@gmail.com)

Thanks to the following volunteers who helped us gather data on our transplanted trees: Ernie Frey, Terri King, Alice Mazzella, Maryann Russell, Sharon Baur, and Dolores Robb. We spent a couple of hours on October 16, 2023, measuring height, counting terminal buds, and noting if each tree had bloomed. We also counted the trees that have unfortunately died. We grouped the trees by when they were transplanted- the Mohave County project in 2020 and the Unisource project in 2022.

We are very encouraged by our initial review of the results! The first group transplanted in 2020 has a 40% survival rate, with those surviving trees in good to excellent condition. The second group transplanted in 2022 has an 80% survival rate, with those surviving trees also in good to excellent condition. We will probably see the 2022 survival rate decline in the next couple of years since we have seen that with the 2020 group. It seems we may have a good process developed for transplanting Joshua Trees.

All the trees we have transplanted had to be moved for a road project and our new power substation, so we feel proud of giving them a chance to survive. We hope to partner again with a company with Joshua trees that need to be moved from a property.

About half of the Diamond Bar abandoned roadway was left to fill with transplanted Joshuas.

Thanks again to the volunteers above and everyone for your continued support and encouragement.

*-Sam*

Meadview Civic Association, Inc.

The purpose of our organization is to foster & encourage the civic advancement of our members and/or property owners.

However, Social Membership applications are also cogitated.

In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.
