President's Letter to the Members

HAPPY NEW YEAR everyone from the MCA Board of Governors and staff!

We hope your holiday seasons were filled with hope and joy!

I want to take a few moments to thank our incredible staff. It has been pleasure to work with such a inventive, energetic and kind people. Running a facility such as the MCA can be time consuming and challenging, it is essential to have a team dedicated to making everyday a positive day and to do the very best job that they can. We have such a team. When you see Lydia, Julie, Fred, Michael, Bob, Woody or Ron, take just a few moments to thank them, it truly does make their day.

As we begin a New Year our entire staff is busy making plans for improvements to the MCA facility and for streamlining our everyday tasks.

Here are just a few of our maintenance goals for 2023:

- *Renovation of the miniature golf course.*
- *New decking for the entire pool area.*
- *Benches along the nature trail.*
- *Renovation of the horseshoe court.*
- *Renovation of the outdoor shuffleboard court.*
- *Recover the pool tables.*
- *New couches for the lounge.*

Major improvements provided we secure grand funding(no membership dues will be spent to accomplish these goals):

Backup generator along with disaster plan equipment, such as bunks, food, water, linens and first aid supplies. This will be for the main building.

Recreational building, which will include a tennis court, exercise room, medical suite and restroom. With a backup energy source such as a generator, and solar. Also storage for disaster plan equipment.

Here's to success in 2023 and to the best year we have ever had!

January Quail News 2023

The meeting is on Tuesday January 17th 2023 at 10:00 a.m. It's in the MCA building.

We hope everyone had a wonderful and healthy Christmas and also a Happy New Year. We would like so very much to see you and your friends at our meetings. You may get some informative information. Our program for January is

Titled "Message From The Frontline". The speaker is Steven Bentz. He was vice-principal and coach at Chaparral High School in Las Vegas. He now is principal of Basic Academy in Henderson Nevada. The program will inform us on what's happening in our schools and what parents and teachers can do to help our young students. Quail helps by having fund raising events to help provide scholarships to graduating high school seniors. Come and hear what teachers and administrators endure in a school year. Parents will be interested in this program. Come and see, hope to see you there. We will be collecting toiletries, socks, t-shirts for the veterans know as "Resource Fairs" for VFW.

The February Meeting is on Tuesday February 21st at 10:00a.m. at the MCA. Be present to hear about the fire department in rural areas. Our speaker is Theodora Koppen, a resident of Meadview. She has worked diligently for trying to get help for rural areas in Meadview and surrounding areas for fire protection. Theodora is going to give us a challenge Come hear what she has to say. Meadview is getting drier by the year. What can we do? Come find out. We have a message from our late president John F. Kennedy "One person can make a difference and everyone should try" Maybe we are that someone. This meeting should be worth attending. See you there, Bring a friend. Rita

Meadview Explorers

By Joan Stoops

The Meadview Explorers are back to hiking and trips now that summer is over. Our first trip was a hike on Hualapai Mountain. A group of 5 of us explored a trail at Hualapai Mountain Park in October. As the weather cools, look for more trips on our Facebook page, "Meadview Explorers." If you are not on Facebook, you can e-mail us at meadviewexplorers@gmail.com and you will be notified when we have plans. Anyone is allowed to post on the Facebook page to plan a jeep/OHV/ATV ride, hike or trip to an interesting place. Happy trails!

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form.

Shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med.

The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give your name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.

Meadview Civic Association Inc. The purpose of our organization is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated. In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.
