The proposal to raise the annual assessment dues passed! The support to go forward with research and find funding for a new recreational hall was also approved.

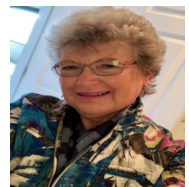

We have plans going forward with new volunteers to help renovate the Miniature Golf Course, here are just a few of the activities planned ice cream social, members BBQ in the fall along with a meet and greet and history of the community of Meadview and Meadview Civic Association, tournaments, and games. Watch for announcements. Thank you to Luke for coming on board with amazing ideas and energy for our Activities Committee. Planning for the Recreational hall continues, committee members, Pam, Eileen, and Lynn will be working hard, to accomplish this daunting project. Take a walk down the nature trail and you will find it is being brought up to hand-capped accessibility, and is being cleared of old overhanging branches and weeds. The Pool is better than ever. As are the grounds and building! Way to go maintenance team, Fred and Michael

Lydia and Julie work continually to bring the office up to date, our computers have now be upgraded. We are collecting back assessments, organization of the office continues along with a multitude of other tasks.

Larry Sarchin has volunteered to help us with Grant applications. Bob and Woody as our security team keep everything running smoothly, they are always busy making sure our grounds and building are secure. They also help where needed on a variety of tasks we only need to ask. We are indeed very fortunate to have such a dedicated and knowledgeable staff.

Your Board of Governors look forward to a successful and energizing 2022-2023.

Thank you for your continuing support and help!

At our May 17th meeting the new Quail Board was installed. Teodora Koeppen is President, Barbara Braaten is Vice President and Rita Hughes is Secretary. Dolores Robb will be installed as Treasurer on September 20, 2022. Congratulations and "Thank You" for volunteering.

The Quail Club will be dark all of June, July and August but will begin again on September 20th at 10:00am at the MCA. The program will be a "Get Acquainted Social and Potluck".

The focus of our club is to raise funds for scholarships given to deserving Mohave County High School seniors who are moving onto college. This year 15 \$1,000.00 scholarships were awarded by the Quail Club of Meadview and the Morning Glories Club of Kingman. The number of scholarships awarded depends on the amount money our 2 Clubs can raise throughout the year. Please think about coming to our September 20th meeting to see what the Quail Club is all about. We are an all-volunteer, Community to "Step Up For Education".

## Meadview Explorers

*By Joan Stoops*

The Explorers have been busy this year with hikes to North and South Monoliths, Grapevine springs, lost cable canyon, and the Railroad Tunnel trail. We took 4wd rides on Buck and Doe road to get Hualapai tacos and along the ridge to Bluebird mine and back along Route 142. Cliff led a Compass Class at the Meadview airport, which taught everyone how to be more self-sufficient in the wilderness. We will not have activities through the hot summer, but will pick up again in the fall. Look for our activities on Facebook at Meadview Explorers page.

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form.

Shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med.

The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give your name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.

Sharon, Chuck and I recently attended a 3-day conference, called the Summit, organized and sponsored by the Conservation Lands Foundation. This large non-profit helps us by providing training, offering consistent support and giving us yearly grants. We have been a part of their Friends Grassroots Network for 10 years along with about 80 other non-profit groups around the southwest. The Summit was held in Albuquerque from May 17th-20th. We attend many training sessions which were very informative and helpful. We also met several people who offered their help for our Monument campaign. It was very inspiring and invigorating time with a group of people who love our public lands as much as we do.

Today we gave a good soaking to our transplanted Joshua Trees on the old Diamond Bar Rd spur off Pierce Ferry Rd. Our Bureau of Land Management Outdoor Planner, Matt, came out with a water tank and many lengths of hose to reach all 42 trees. He mentioned that it is predicted that we will have a good monsoon season so hopefully we won't have to water the trees again this summer. We are monitoring the trees closely and they are looking good!

As always, we thank you for your support and encouragement as we strive to preserve and protect our magnificent Joshua Tree Forrest.

Meadview Area Chamber of Commerce would like to thank Mike Martinez, owner of the BoatHouse Café & Grille, along with the OutPost 86444 for this absolutely beautiful billboard. It will be going up on the lot south of the Family Dollar. This will go a long way in bringing people into Meadview to see for themselves just how wonderful our little community really is. All our businesses have so much to offer everyone, and we look forward to continuing to build this area together. The purpose of this sign is to give exposure to all businesses in the Meadview area. We understand that some of the businesses are located before the sign, however, most visitors to our little town stop at Family Dollar and inquire about services they are looking for. We look forward to the unique presence of this sign will bring our town.

Meadview Civic Association,  
Inc.

The purpose of our organization  
is to foster & encourage the civic  
advancement of our members  
and/or property owners.

However, Social Membership  
applications are also cogitated.

In August of 1970, the owners of  
the Meadview subdivision  
determined that to maintain the  
friendly small town attraction of  
Meadview, a central meeting &  
recreational facility was needed.  
They set up the MCA with  
involuntary membership to  
property owners. A number of  
Meadview families agreed and  
the Articles of Incorporation  
were created and accepted by  
the State of Arizona. With an  
\$80,000 loan to erect the  
facility; construction of the  
lounge, kitchen and pool began  
January of 1971 and completed  
in July that same year.
