## President’s Letter to the Members

Here we are, halfway through the first quarter of 2021 and still no quarterly General Membership Meeting because of the virus. It is now scheduled for April 10<sup>th</sup> at 9:00 am.

The Board has agreed that we should provide mail in voting, again, as it showed a greater response from our members when we did it last year. We have 1 existing board member running again and, to date, we have 3 additional personnel running for the board. Everyone running should be a good addition to the Board.

In addition to voting on the Board Members, there will be 1 other items that will need the backing of the General Membership.

The second item requiring the General Membership approval is the approximate amount, not more than, \$30,000.00 for the repair of the MCA roofs. A detailed description of the repairs are included in this issue, please read. (Pg.3)

We are in the process of changing the hours that the office will be open. Effective March 1, 2021, the MCA office hours will be from 10:00 am to 2:00 pm, Monday through Friday.

We are still awaiting estimates to repair the Tennis Court Surface and the repair of the pool ladder on the deep end of the pool. When the pool is to open depends on the ladder repair and Mother Nature. I really hope to have it open by April.

Everyone, please, stay safe and healthy!

# **2021 BOARD OF GOVERNORS CANDIDATES**

**NORETTA (RITA) CALDWELL** Born and raised in Illinois. We have two sons and four grandkids. Served 35 years in the Court Clerk's office in Clark County, Nevada in a number of different positions. In the 15 years there, I was a Legal Supervisor of 26 staff members. Our department handled Civil, Criminal, Probate, Guardianship and Domestic filings and calendars for over 50 Judges. I was also very in getting our Courts creating electronic filings. I was also in charge of the Grand Jury on the Clerk's side. Retiring in 2015. We bought a weekend home in Meadview in 2000 but upon retirement, I moved to Meadview permanently with my husband Tom, to enjoy a slower, quieter life but found that I enjoyed being active... and found plenty of people here with similar interests. I am on the board of COM. I have participated in two quilting groups, Red White and Blue which makes quilts for Veterans and Busy Hands and three women's Bunko clubs. I also enjoy the activities of the MCA – playing Pickleball regularly and using the pool in the summer.

**RICKY MARSAW (Incumbent)** I joined the MCA Board of Governors to help share in the responsibilities of the Board Members to make responsible decisions and enforce rules and regulations of the MCA. Also, to help members find resolutions to their problems and situations. I was a business owner for 25 years, which has awarded me with great social skills and likeable personality. I have taken courses for OSHE 10, 20, 30 and several other business related classes. I want to be more involved in our community; to help serve the people in an understanding and fair way.

**PAM STEFFEN** I am Pam Steffen and I have lived very happily on a full-time basis in Meadview for 10 years with my husband. We enjoy boating, kayaking, hiking and our view of the beautiful cliffs. Prior to retirement, I was an elementary level Special Education teacher working with small groups of children with various learning challenges. It was a rewarding and fulfilling career that I loved for 31 years. I believe that helping our community grow and prosper, and our community members to have healthy options is vitally important. I also believe in the importance of volunteerism and have served the community in many ways. I am a Founding board member of the Friends of AZ Joshua Tree Forest,

the Inspector in charge of all federal and state elections for the Meadview precinct, have served on the Quail Scholarship committee and am an active member of the Meadview Chamber of Commerce. I have volunteered for various Lake Mead National Recreation Area projects such as the annual eagle survey and native plant restoration. I enjoy many activities at the MCA such as pickleball, yoga, line dancing and FIT exercise class. I feel that the MCA could be an even more important part of Meadview life. As an MCA board member, my focus would be to actively pursue input from the members on areas of interest and work toward offering activities that appeal to all members.

## **FRIENDS OF THE JOSHUA TREE FOREST** By Sharon Baur

Once again, we are canceling our spring Joshua Tree Festival due to COVID restrictions.

We are happy to report that a recent survey of our reclamation project on the abandoned portion of the Diamond Bar Road revealed there is over 50% survival rate of the Joshua trees we transplanted last spring.

We will continue to keep our office at the Outpost closed for the immediate. However, our caps, water bottles, jewelry and books can still be purchased there. We now have two new items that we are excited to share with you. Logo T shirts for \$20.00 and logo masks for \$10.00.

If you would like to purchase any of these items call (907)-299-1132 or our office phone where you can leave a message (928)564-2144.

Keep checking our Facebook page for upcoming events that are being planned for the upcoming year. We will be following the COVIC guidelines to make sure these events are safe and most of all enjoyable.

# BLAST FROM THE PAST

## SANDY POINT HIGHWAY IS NEARING COMPLETION

MEADVIEW MONITOR VOL.4 NO.1 JULY 1966

Opening of New Road Set for Late August. Work is progressing rapidly on the "million dollar" Sandy Point Highway. Started last September, construction on this road has been running at a steady pace ever since. Sandy Point Highway is the largest highway project undertaken to date in Arizona by the National Park Service at Lake Mead.

The majority of the remaining work is at a 90 foot cut approximately half way down the 4 ½ mile descent from Pierce Ferry Road to Lake Mead. Heavy equipment, drills and workman have been pounding away steady at this cut for the last six months, and slowly but surely, it is being brought to grade.

While still not ready for tourist traffic, pick-up trucks and four-wheel drive vehicles are already starting to use the highway for weekend access to the lake. Labor Day weekend is expected to kick off the fall season at Lake Mead with heavy usage of the Sandy Point Landing on that weekend is anticipated.

The opening of the new highway and the obvious heavy traffic and usage of the area will stimulate the entire Meadview Development. Development plans are being made now for the area and will be released in late September. Watch you next Meadview Monitor for complete details on this.

### **BALLOT PROPOSITION FOR ROOF REPAIR**

We have some major roof repairs that need immediate attention. The first part of the repairs is the removal of the metal 2 inch flashing and the replacement of 4 x 6 supports that act as fascia, but is also part of the roof support. The flashing needs to be 4" as the 2" allowed water to collect on top of the 4 x 6 beams, which caused most of the rotting. There are 6 beams that need to be replaced on the West side of the pool, along the covered walkway, and 8 beams that need to be replaced on the south side of the shade area, to the south of the pool. Over the sunroof, next to the restrooms, there are 3 pieces of ¾" plywood that needs to be replaced. All beams will be coated with Copper Coat prior to installation to help protect the wood from rot.

Once the wood beams are replaced and new 4" flashing is installed, all drip edges will have woven APOC 483 fabric imbedded with elastomeric sealant and a minimum of two coats application waterproofing to prevent water getting under the flashing.

The existing roof coating is beyond its life expectancy and is an older type that does not stand up to standing water well. All roofs, except for the maintenance shed and the new patio expansion, will be inspected, cleaned, repair and will have a minimum of 2 coats of waterproofing applied. The APOC 483 fabric will be used where crack and repairs require it.

During roof repairs, the pool will be closed for safety reasons. This should only last 4 or 5 days. Once everything is completed, our maintenance people will paint the new timbers.

This repair should not exceed \$30,000.

## Meadview Explorers

*By Joan Stoops*

The Meadview Explorers have been doing a lot of hiking in the past few months. In early December, Vern Farris led the group on a hike to Dry Falls. It was a long 8 mile trek up into the cliffs, but worth it for the beautiful views!

A week later, we hiked another 7 miles, led by Joan Stoops, on the Monolith Garden Trail in Kingman where we could view all of the monoliths that you see when traveling East on I-40 heading into Kingman.

We did a shorter hike down our local side wash in town off of Spencer Rd, and our latest endeavor was a 5 mile hike to the top of Sandy Point where we viewed both the North and South sides of Lake Mead.

See our Facebook page "Meadview Explorers".

**Meadview Civic Association, Inc.**

*The purpose of our organization is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated. In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.*
