would like your vote for the elected position of the MCA Board of Governor Member. Dennis is currently an appointed Member of the Board with the current position of Treasurer. He was instrumental in the planning, ordering and installation of the new lighted MCA Display Sign. He is also a Board Member of the Meadview Community Church. Dennis has been a full-time resident of Meadview since 2011, and has been visiting Meadview since 2002. He graduated from Paramount High School in Southern California in 1965. He was drafted into the U.S. Army in 1966 and spent 1967-1968 in Vietnam with the 11th Armored Cavalry Regiment. Dennis worked for a large wholesale grocery distributor in Southern California for 38 years, retiring in 2011 as an Account Executive. Dennis would like to donate part of his time as a Board Member with the MCA, with a goal of upholding the MCA By-Laws and help to keep Meadview a desirable community to live in.

John W. Newell (Jack)

and his wife have owned property in Meadview since 1986. They built their home and moved here permanently in 1990. He has been involved in many community organizations but especially the MCA. Jack has served on the Board having been elected and appointed for a total of 9 years and was involved with the plans and the building of the Miniature Golf Course, the Frisbee Golf Course, the addition to the Auditorium and the remodeling of the kitchen. He is a staunch supporter of the Articles of Incorporation and our MCA By-Laws and believes that use of the entire facility is a right belonging to the dues paying Membership. He has studied and enforced the CC&Rs of the MCA and know they provide a good base for this entire community.

Douglas Braaten

To my fellow Meadview residents and business owners, allow me to introduce myself. I am Douglas Braaten, a fairly new resident and property owner in Meadview. I am officially retired in 2016. In the past I have owned a variety of businesses. The latest business was an ownership of a candy store in downtown Placerville, CA. In the employment field, I spent 27 years in sales and service, both retail and wholesale. I was actively involved with the City of Placerville's City Council, the El dorado County Chamber of Commerce, and the Downtown Association in Placerville, Ca.

VFW 11014 Meadview News MAY/JUNE 2018

Spring is in the air and a new year will begin for the VFW and Auxiliary soon. Thank you to everyone in the community for their support for all the many Veteran and Family events held at VFW Post 11014.

With that, we would like to congratulate VFW Commander Mike Craig and Auxiliary President Rhonda Follett as being elected the 2018-2019 Meadview VFW representatives. We look forward to a great year of service toward Veteran Programs.

Three flag raisings will take place in May and June: May 1st will be a flag raising for Loyalty Day, "A time for people to reaffirm their loyalty to the United States", on Memorial Day, May 28th, the day we remember our Veterans and their sacrifice for our freedom, and Flag Day, June 14th. All flag raisings begin at 11:00 AM, are followed by a light lunch, and the community is welcome to attend.

On the road to the Arizona VFW Convention, we would like to announce and congratulate Hayden Fry for being one of the top 3 candidates for the State of Arizona VFW Auxiliary Scholarship. Hayden has impressed so many persons in our community and his future goals are admirable. We are honored to have him selected to represent the VFW Auxiliary, Meadview, and the State of Arizona.

At the May COM Meeting, Auxiliary President Rhonda Follett will be speaking on the Americanism Program. Donna Rose, Americanism Chairman for the Meadview Auxiliary, will be holding a Silent Auction on Mother's Day, May 13, at the second Sunday Spaghetti Dinner, to benefit the Americanism Program. Please join us to help support Donna's very successful 18. After the community flag exchange and the "Missing Man Table" she is preparing for the Boulder City, Nevada State Veterans' Home.

May 30th will be the next session of Bingo at the Boulder City Veterans' Home. Everyone is welcome, and encouraged, to assist the residents with their much enjoyed Bingo events.

Please contact the VFW if you would like to attend.

We would be remiss to not address the considerable loss to our Post, family, and community in the passing of Ed Doran. It truly will never be the same. Time may heal, we will not forget. The Memorial Service for Ed will take place on Friday, May 18, 2018 at the Boulder City, NV VA Cemetery at 1900 Veterans Memorial Drive in Boulder City, NV, at 2:00 PM. In lieu of flowers, Kathy has requested donations be made to the Donor Network of Arizona in the name of Ed Doran. The VFW Post will be closed on Friday, May service, we will return to Meadview for a celebration of life. Please keep Kathy, their children and grandchildren in your prayers.

EXPLORERS AND OVER THE HILL
HIKERS

By Suzann Newell

This is a good hiking time of the year plus we did a couple of drives to different sites. We took Gregg's Hideout Road to Salt Springs. The hike to the Lake was a bit longer since the water in the Lake has gone down, but the water in the Lake was clear and the day was nice with a cooling breeze. The group of 12 cleaned up our 2 mile stretch of Pearce Ferry Road. Vern Farris and Char led hikers up Fox Canyon which is a wonderful, though kind of difficult up to the top of the mesa. The granite dog bone is eroding more and more and eventually will no longer will we be able to call it the Dog Bone. Then Wally Tratz invited the group to float across the lake to hike to Joker Mine. On April 25th we will drive Buck 'n Doe Road to Peach Springs to arrive at the Diamond Creek Restaurant for Hualapai Tacos (or one of the other really tasty items on their menu).

At our regular meeting April 11 we did set up two drives with some hiking involved once we get to our destination. April 28 we will drive to mile 51 on Hi-way 93, turn up Big Wash Road and picnic at Pack Saddle Picnic Area. We could hike Cherum Peak while there, or just head back down and into Chloride to view the Murals painted by Roy Purcell. On May 2 we drove down to the Spanish Trail to hike over to the Spanish Mine. All MCA members are invited to join us, especially at our regular meetings which are held the 2nd Wednesday of each month at 6:30, in the MCA. We do not meet during July and August. We urge new residents of Meadview to come join us as it is a good way to see the area around Meadview, to learn some history of the area and to meet others who like to hike or do 4x4 trips.

UTILITIES CONSTRUCTION WORK IS NOW UNDERWAY

Initial construction on the electrical lines into Meadview by Citizens Utilities Company is now underway, with completion of construction of both electrical and telephone utilities here expected this summer. Citizens electrical manager William Casson of Kingman told the MONITOR in mid April that approximately six miles of electrical line has been completed toward Meadview from Dolan Springs area and

that the contracts to complete the project into the community were expected to be signed by the end of April. Casson said that the company had received bids from contractors April 4th and that although the contract was not as yet awarded, the bids had been evaluated. He said the progress on the contract and actual work would begin as soon as the company obtained a formal permit from the Bureau of Land Management for a right-of-way across the vast federal lands surrounding Meadview. He said he expected the permit by the 3rd week of April. The manager said that all survey and engineering work had been completed on the project. Part of the line construction is being handled by Citizens with the remainder being let through contract. He said he anticipated that work on the Meadview electrical work would be completed by July. Citizens Utilities Rural Company telephone manager Preston Ewing of Kingman told the MONITOR that all telephone work would be handled by contract and that negotiations on that end were now being held. He said he expected the electrical contractor would also handle the telephone contract. He said the telephone company would construct and set up an unattended office in Meadview and that he anticipated his department's work would be completed in August. On page 12 of this issue of the MONITOR, an information form for the telephone office can be found inquiring where prospective telephone customers live and what type of service they desire in Meadview. Ewing asked that all Meadview property owners fill out the form and return it to Kingman office as soon as possible in order that the company could determine the amount of service and types of service desired. He added that even those persons not desiring service at this time should fill out and send the form. Meadview Civic Association president Tom Berry told the MONITOR that he was pleased with the progress presently being made by the utility companies and that he considered the availability of both services in Meadview to be a large factor in the present and future growth and development of the community.

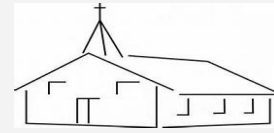

Construction Contracts Studied

Executives of Citizens Utilities Company and Citizens Utilities Rural Company in Kingman met April 4 to open bids for the construction of utility lines for electricity and telephone service into Meadview. Looking over the bids are, from left: William Casson, Citizens Utilities Company electrical manager; Shrader

Moore, assistant electrical manager; and, Preston Ewing, Citizens Utilities Rural Company telephone manager. Construction has already begun on electrical lines to Meadview and both services are expected to be available here this summer.

FRIENDS OF THE ARIZONA JOSHUA TREE FOREST

By Pam Steffen

We have had a very successful beginning to 2018! We have had many membership renewals from our valued supporters locally and across the nation. Also, several new members have joined our team in support of our mission to preserve and protect our magnificent Joshua Tree Forest. We appreciate each and every one of you.

Also, we have successfully accomplished two very successful projects. The first project was to establish a permanent study plot in the National Natural Landmark (NNL) section of the forest. On February 20, our board and several volunteers identified and collected data on a 50-meter section near the Patterson corral under the direction of Todd Esque, USGS Research Ecologist and leader of the Joshua Tree Genome Study. This section will continue to be monitored and data will be collected on a regular basis to be included in the study. We had such an efficient team that we were able to tag, measure and count branches on every Joshua Tree within the section in a few hours! Thanks to everyone who volunteered. Your help was invaluable.

Our second project was organizing our first annual Joshua Tree Festival held on March 17. We were very pleased with the participation and support from our community for this event. Several of our business partners set up exhibit tables at the MCA during the day and

we had wonderful raffles items and baskets filled with donations from many individuals and businesses. We also led two hikes in the forest- a bird walk in the morning and a photo shoot hike in the afternoon. Both hikes were well attended and the participants enjoyed the experiences. The feedback was positive from all volunteers and participants and we have many new ideas for our next Festival in 2019. Thanks to all who volunteered for your hard work and to those who donated for your support.

We look forward to many more successful projects and events as we continue to work towards keeping our unique forest of Joshua Trees pristine and healthy!

Come join us! Annual membership fees- Single/Couple \$25, Family \$45, Business \$30. For more information check out our website at: www.joshuatreeforest.org
