President's Letter to the Members

Spring is here, and summer not far off.

The pool is open, summer maintenance begins. Just a few reminders to help us keep our pool healthy, clean, safe and enjoyable. Don't forget to shower before you take that swim, sun protection and oil will quickly clog up the filters, please no alcohol in or around the pool, running on the slippery deck or jumping into the pool can easily cause an accident. Most of all have fun, be safe, and help our community enjoy the pool by helping us keep the pool and area around the pool a place we can be proud of, a place we can relax, and benefit from.

Speaking of the pool our volunteer coordinator Tura Morice is in search of a water aerobics instructor. I for one will be looking forward to that class. Stay tuned for announcements on up coming classes.

Next time you are in the lounge, take note we have a new couch, and the pool tables which have been recovered. We have started renovating the miniature golf course, we will let you all know when the renovations are complete. Want a way to enjoy our beautiful facility and just have quiet moment in nature, take a walk down our nature path, you will see a new bench at the trail head, (consider purchasing a bench or chair in reembrance of a loved one.) the path is easily accessible, clean of debris and weeds, new plants will soon replace some of the memorial plants that have died.

Save the Date May 27!!! Our annual membership meeting and election of the Board of Governors is just around the corner, please attend, this is your facility and your input is appreciated by the board. We hope to provide a buffet breakfast for our members this year. Watch for the announcement.

It takes a community to maintain a facility such as the Meadview Civic Association.. We could not have such a wonderful facility for only \$50.00 a year without the help of community volunteers.

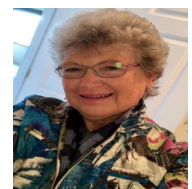

Thank you to the following community members for your selfless dedication:

Tura Morice, for archiving the many volumes of Meadview Monitors dating back to the late 1960's, for organizing and creating a manual on the diverse CCR's and zoning regulations for our community, for energizing and finding volunteers for programs and activities, for counting ballots and so much more.

Nanci Olson for her Yoga class on Mondays 9 AM in the Meadview Civic Association. This is an exceptional class and oh so good for you...

Blair Berg for cleaning and organizing the kitchen and washing the kitchen linens.

Pam Steffen and Eileen Flannery for pushing forth on a USDA Grant to build a shelter/recreation building. This facility would be funded by grants and donations, and used as a shelter in the event of extended power outages or disasters, as well as open for recreational/therapeutic purposes. This facility will meet many critical of our small community.

SHARON BAUR PRESIDENT

Enjoy the summer and our amazing community

May/June Quail News

Meadview Quail & the Kingman Morning Glories celebrated a wonderful luncheon at the Calico Restaurant in Kingman on April 11, 2023. Both clubs are members of Community & Family Interest Club in Mohave County. They are committed to strengthening families through programs of community leadership & continuing education to empower citizens to actively participate in public decision making on issues that concern children, families, home life and to promote the effectiveness of volunteer action and support. The luncheon had installation of officers into the CFIC. Each president from both clubs told the group what each club had done during this last term.

Joshua Tree Updated. The speakers were Pam Steffen, Sharon Bauer and Andy Whitefield. Chuck Steffen ran the projector and showed the photos from the Joshua Festival in March. The message was to get people to write letters so the forest could be a National Monument. You can also sign the petition in the Outpost at the Joshua Tree desk. If we become a National Monument the government will give the area funds to make this an area where people would come to visit our open areas. This would also bring visitors to our businesses.

Our meeting on May 16, 2023 at 10:00 am at the MCA is when the officers for the next term will be installed. This will be the close of the term. A potluck will be served. Our next meeting will be September 2023. Make new friends over the summer and bring them in September! We want to thank all the members who provided wonderful potluck lunches. All you volunteers were wonderful! Thank you also. See you in September!

Meadview Hikers

Our Meadview weather is improving, and the Meadview Explorers are getting out in nature once again! At the end of March, nine of the Explorers headed down a side wash for a 4.5 mile hike. It was a beautiful day, and lots of good company! In April, 18 Explorers met at Pierce Ferry (6 vehicles riding jeeps and sxs's down Grapevine Wash). We had a hike to the rapids and a little beyond, and a hot dog potluck at the Colorado River. Great way to get to know your neighbors and meet

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form.

Shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med.

The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give your name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.

Meadview Civic Association Inc. The purpose of our organization is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated. In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.
