President's Letter to the Members

President's Message - Embracing Fall and Community Engagement

As a gentle chill fills the air, I welcome each and every member of our community. Fall is here, and with it, a world of possibilities and opportunities to come together, celebrate the season, and strengthen our bonds.

Fall is a time of transformation, both in nature and within our community. It's a season that calls for us to appreciate the beauty of change, the warmth of unity, and the joy of being part of something greater than ourselves. With the cooler weather and crisp autumn breeze, we are presented with countless outdoor options to explore, enjoy, and create cherished memories.

From hiking to picnicking to boating, it's an excellent time to plan neighborhood gatherings, whether it's a potluck dinner, a friendly game of touch football or pickleball, or a pumpkin-carving contest. I encourage all of you to make the most of this season's splendor and engage in the great outdoors.

I invite you all to attend our quarterly meetings. These gatherings are open to every member of our community, and they provide a vital platform for us to come together, discuss important matters, and shape the future of our neighborhood. Your voice, ideas, and contributions matter. By participating, you play a crucial role in guiding the direction of our community, ensuring that it continues to be a place we are proud to call home.

Our quarterly meetings serve as a space for dialogue, where we can share ideas, address concerns, and celebrate our achievements. It is through these meetings that we can brainstorm and develop initiatives that will benefit us all, whether it's enhancing our neighborhood's safety, beautifying our public spaces, or supporting local charities. Together, we can make a difference.

As we embrace the joys of autumn, let us also embrace the idea of community engagement. Let us make a commitment to be a part of the conversations, and to shape the path forward. Your presence and input are invaluable to our community's growth and prosperity. I extend my warmest wishes for a memorable fall season filled with unity, connection, and meaningful experiences. Together, let's make this autumn a time to remember, as we actively engage with our community, our neighbors, and the world around us. Thank you for being part of our wonderful community.

Wishing you all a splendid fall season.

Ron, President MCA

Home & Garden

Hello Friends,

This is a new page for our Monitor. We are hoping our community will help with this page. We would like to post your photos, recipes, cleaning tips, gardening tips and even vehicle tips.

Please send any of the above items to **mca@citlink.net** and put in the subject line "Monitor Tips & Pics". We will pick a couple (or more) for each issue depending on how many we receive. Anything that is not printed for the current issue has a chance of appearing in the following issue. Please make sure you include your contact information, we will not publish your private information.

Also we would love to hear about what you would like to see inside the next issue of the Monitor!

Thank you in advanced for any tips and pics you send us!

HAVE A GREAT DAY!

MEADVIEW AREA

Numerous and diverse opportunities for off-highway vehicle (OHV) recreation exist on BLM-managed public lands. Miles of trails and open areas await all types of OHV enthusiasts. Please obey all signs regarding the management of public lands and routes.

Know where you are driving, respect private property, stay well away from livestock, and wildlife and their water sources. The BLM regulates the use of roads, trails, and land under its jurisdiction in order to meet specific land management objectives, to protect resources, and to provide public safety.

All off-highway vehicles must comply with State regulations and restrictions. Please make sure to check your State's laws before enjoying OHV routes on public lands.

RESCUE TEAM

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form.

Shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med.

The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give your name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.

Meadview Civic Association,
Inc.

The purpose of our organization
is to foster & encourage the civic
advancement of our members
and/or property owners.

However, Social Membership
applications are also cogitated.

In August of 1970, the owners of
the Meadview subdivision
determined that to maintain the
friendly small town attraction of
Meadview, a central meeting &
recreational facility was needed.
They set up the MCA with
involuntary membership to
property owners. A number of
Meadview families agreed and
the Articles of Incorporation
were created and accepted by
the State of Arizona. With an
\$80,000 loan to erect the
facility; construction of the
lounge, kitchen and pool began
January of 1971 and completed
in July that same year.
