President's Letter to the Members

Dear Members,

We continue to make improvements to our facility. The most recent is the Auditorium floor. We are currently working on some grinding and seal coating of our parking lot. We are also working on the kids' playground.

Our Architectural Committee has gotten some run down falling down homes to be condemned by the county and hopefully they will be torn down soon.

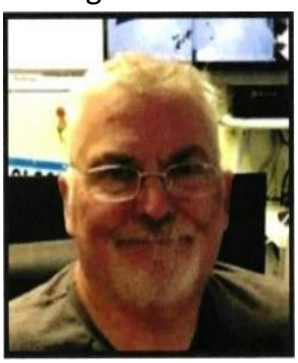

Remember we are in a Dark Sky community. Any violations can be handled by the County. Clerk of the Board is Laura Skubal at (928) 753-0731. Office Hours: Mon-Fri 8am to 5pm.

Before You Build Forms are enforced and must be filled out and authorized before any excavation, land development or any other construction is performed.

Our next member meeting will be held on January 9th, 2027. We would love to have all member's input.

Regards,

Don Swartz

PURPOSE...

The purpose of our Meadview Civic Association is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated.

In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an $80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.

SUGGESTIONS?

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med. The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give your name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.

MEADVIEW HISTORICAL SOCIETY

MHS Introduces Monday Movie Matinees

The Meadview Historical Society is making a change to its community movie program. In response to requests for an earlier movie time - and with the shorter days of fall and winter upon us - we will be giving Monday Movie Matinees a try.

Monday Movie Matinees will be held on the first Monday of each month at 2:00 PM, beginning Monday, November 2, at The Barn Event Center, 470 Pueblo Drive in Meadview.

Our matinees will replace the First Friday evening movie schedule. We hope the afternoon time will make it easier and more comfortable for members of our community to join us for a good movie, some fun, and time with friends and neighbors.

Watch for announcements of upcoming movie selections. We look forward to seeing you at the movies!

FIRST MONDAY • 2:00 PM • THE BARN

Good movies. Good company. Stronger community.

Living in Meadview by Barbara Braaten

I never liked the desert – simply because I did not want to. But I had to change, and I had to teach myself to see it differently. Before long, I began noticing the small animals I had never paid much attention to before, and I learned to tolerate the months of heat. I watched the sun rise over the cliffs and saw its colors spread across the wash, rocks, and sand. Gradually, I became part of the ecosystem shared by quail and other birds. A roadrunner once tapped on my window as if to say hello, his breakfast hanging from his beak. A young hawk visited too. I watched bunnies dart across the property, staying clear of the jackrabbits, while my dog Tilly barked to warn me that a sluggish green Mojave snake had found shade on the patio. I even came to enjoy riding my side-by-side over rocks and gullies. I began to see the brown hills in a new way. After the monsoons of late July and August, wildflowers would appear, and the cactus would bloom in bright colors – though some cacti were best admired from a distance. I heard ravens squawk as they flew over the wash and an owl hoot from the telephone pole in my yard at dusk. I once watched a bobcat stroll past my back window, perhaps looking for a mate, and of course there were the coyotes moving through the brush in the evening in search of prey. If I had not moved to this high desert community, I would never have experienced any of it. I also would never have met the many diverse and interesting people I know here. In this quirky little town of Meadview, I learned what community truly means.

MEADVIEW QUAIL

Community and Family Interest Club

Mohave County, AZ

The mission of this organization is to strengthen families through programs of community leadership and continuing education; to empower citizens to actively participate in public decision-making on issues that concern children, families and home life; and to promote the effectiveness of volunteer action and support.

QUAIL MOTTO:
The Quail Club is an all-volunteer, Community and Family Interest Club. We have fundraisers throughout the year in order to provide annual Scholarships to local high school students. We meet at the MCA on the 3rd Tuesday of each month at 10:00 AM At our monthly meetings we have raffles, 50/50 drawings and we sell See's Candy. We participate in Local Community Holiday Celebrations by having bake sales, raffles, and selling See's Candy. We support the other Community Organizations in their endeavors t help Vets and Families in need. We also collect eyeglasses for the Kingman Lions Club.

2026 November – December Quail News

Our first meeting September 15, 2026, was a "summer sharing" and potluck. It was great being back together again! We also had a most successful Spaghetti Fundraiser dinner. We certainly appreciate John Strickland and Mike Martinez who provided the facility and all necessary ingredients at no cost to us. Thanks to their generosity and Community participation we raised enough money to provide a $1,000 scholarship for a student.

For November's program we look forward to John Strickland sharing current postal policies and information regarding the Meadview Post Office. December will feature Christmas Caroling with Kelli Tennent and a silent auction of Christmas baskets. The Community is encouraged to attend our meetings. We guarantee a friendly, informative, and fun time!
