President's Letter to the Members

Hi All,

I can't express enough my appreciation for the folks who attended the July 8th, 2023 MCA meeting. As your newly minted president I will always put our community first and foremost in any decision I or the board makes moving forward. We have an amazing team on the Board of Governors (BOG) with deep knowledge of the history of the MCA. Your input is always valued so please understand that participation is not just encouraged but essential for us to better serve our community. Please take the time to attend future MCA meetings. Your voice matters.

I thank those who have reported any problems they have experienced regarding the pool and the pool area. Michael and Fred continue to do an outstanding job of maintaining a clean and healthy environment for all of us to enjoy. Your vigilance and promptness in reporting issues have allowed us to swiftly address problems. However, we also recognize that there may be other areas requiring attention. Please continue to bring any concerns to our attention so that we can promptly address them. Your support and involvement are crucial in maintaining a facility that we can all be proud of.

Community spirit and shared responsibility are the pillars that sustain our town's vibrancy. It is not only the responsibility of the maintenance team but also the duty of each resident to help in preserving and upholding the standards of our community facility. We kindly request your cooperation in maintaining cleanliness and tidiness in and around the pool area. By disposing of trash appropriately and respecting the shared spaces, we can ensure that our facility remains a pleasant retreat for everyone.

Lastly, we would like to express our deep appreciation for your continued support and participation in community events. Your involvement in various activities enriches the bonds that tie us together, creating a strong sense of belonging and unity. We encourage you to stay informed about upcoming events and actively engage in community initiatives. Together, we can foster an even stronger, more inclusive community that benefits all of our constituents.

Let us work together to improve our community not just for today but for those who will follow us.

President - Ron Balsamo

Home & Garden

Hello Friends,

This is a new page for our Monitor. We are hoping our community will help with this page. We would like to post recipes, cleaning tips, gardening tips and even vehicle tips. Please send any of the above items to mca@citlink.net and put in the subject line "Monitor Tips". We will pick a couple (or more) for each issue depending on how many we receive. Anything that is not printed for the current issue has a chance of appearing in the following issue. Please make sure you include your contact information, we will not publish your private info.

Also we would love to hear about what you would like to see inside the next Monitor!

Thank you in advanced for any tips you send us!

HAVE A GREAT DAY!

SEPTEMBER/OCTOBER 2023 Quail News

The Quails are back!!!

Last year was a great year! Our goal last year was to bring on new members and we did that. Most importantly, we were able together with our sister club The Morning Glories, to raise \$20,000. We gave out \$1000.00 scholarships to qualified students in Mohave County. This year we hope to do even better.

Did you know that The Quail Club was the first club formed here in Meadview in 1979? We are a determined group and if we can make it a little easier for our youth to attain their goals we will keep this club going. This year we have some great informational speakers lined up. Beginning September 19th we have Suzanne Newell talking about our local plants here in Meadview. In October we have Jason Miller updating us on Medicare.

We meet every 3rd Tuesday of every month. Come join us at the MCA at 10AM

Enjoy a light brunch and join our covey.

Meadview EXPLORER's / Over the Hill Hikers

Before the wave of 100 degree temperature hit, 9 Explorers headed up the North Monolith for a gorgeous views of Lake Mead! We also had a 7 mile hike up the cliffs from the wash which we dubbed the "Barrel Cactus Garden Trail" because there were so many barrel cactus. Twelve Explorers took their 4x4 vehicles and SXS's to Salt Springs. We even met a desert tortoise!

If you are interested in joining us, watch our Facebook page, "Meadview Explorers". If you are not on Facebook, email me at MeadviewExplorers@gmail.com, and I will keep you updated on future events. Anyone can join our activities.

We will be doing a study plot on our transplanted trees on the old Diamond Bar Rd entrance off Pierce Ferry on October 16, 2023. We will tag and collect data on each of the 42 transplanted trees to document how successful the project is so far. We need volunteers to help gather and record the data. If you are interested, please save the date. We will send out more details later. If you have questions, please email us at arizonajoshuatreeforest@gmail.com

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form.

Shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med.

The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give your name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.

Meadview Civic Association Inc. The purpose of our organization is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated. In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.
