MEMBER SERVICES
Donna Torngren
Tory Scott

FROM THE PRESIDENT

The newly elected Board of Governors continues to develop our ongoing learning curves and to address the association's day-to-day present and future challenges.

Our current primary concerns are Financial and Budgetary Status.

Adjustments of overall staff hours and work schedules.

Updated our monthly financial reporting to increase the clarity and transparency for better understanding by our membership.

Past issues of maintenance and repairs are being addressed and resolved.

Maintaining comfortable and accessible use of our facilities for all members.

To accommodate all our membership, we have adjusted our office hours to: **Tuesday through Saturday; 9 a.m. to 12:00 noon and 12:30 p.m. to 4:00 p.m.**

New changes in our office staff. We have accepted the retirement requests of JoAnn Sines and Maggie Paustell, which will take effect as of August 24th. Both of these ladies will be sorely missed. They have been the cornerstone of our daily operation.

The Board announces and welcomes our two new replacements; Donna Torngren and Tory Scott.

Since the installation of your new Board of Governors, we have successfully collected an excess of \$9,000 of unpaid/delinquent membership dues.

Although some changes have been initiated, there still will be additional monetary requirements in order to continue to operate and maintain our facilities.

The Board, also as members of the MCA, will continue to work to maintain the high standards as expected and enjoyed by all members.

Thank you for your continued support!

Frank Eakins, President

TICKETS TO TOUR BUSES

by Suzann Newell

On July 22 ADOT, Hualapai Nation Police, Mohave Sheriff's Department and Arizona Department of Public Safety participated in a safety detail focusing on buses and motor coaches driving Pearce Ferry and Diamond Bar roads. They handed out 42 tickets; 5 were driver violations and 37 involved vehicles with two buses and one driver removed from service. The four agencies will be conducting surprise inspections and advise bus operators to be aware that they are 'here to stay'.

Dear MCA Board of Governors and Members,

It is with sadness we are writing this letter. As of August 24th Maggie and I are retiring. It has been a pleasure to work with past Boards and the present Board. It was also a pleasure working for the membership. We have had many laughs and even shed tears of joy and sorrow with the membership, many of them being our friends.

On a happy note we would like to welcome Donna Torngren and Tory Scott to the staff. Both of these ladies are going to be an asset to this office and are very eager to please. Donna of course has been an employee and is happy to be back. Tory is new to Meadview, and is looking forward to meeting each and everyone of you.

Maggie and I will miss all of you, but it is time for us to move on with our lives and are looking forward to retirement.

Thank you everyone for all of your support and friendship for so many years.

Sincerely,

JoAnn Sines and Maggie Paustell

COM REPORT

By

Gladys Burk, President

September is a sign that summer is over and that it's time for all to get "back to business". Your Board hopes that everyone had a pleasant vacation.

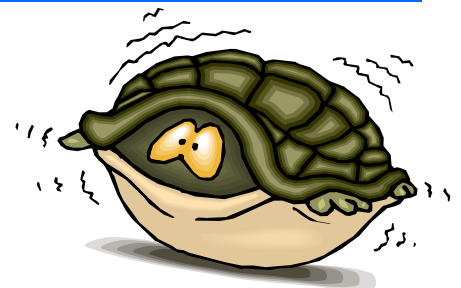

C.O.M. is an acronym for the Community Organization of Meadview. Meetings are held the first Thursday of the month at the MCA. Our meetings begin at 10:00, but everyone comes at 9:45 for cookies, coffee and fellowship. The only requirement for membership is that you are a resident of Lake Mead City or Meadview. There are no dues.

Programs are geared to citizens' interests. Our first meeting will be on September 5, 2013. Topics and speakers will be: The Meadview Water Basin by Ted Levandowski, Lake Mohave Ranchos Fire District by Chief Pat Moore, and Mohave County by Joy Brotherton, Supervisor for District 4.

If you are new to the area, please attend our meeting and meet lots of new friendly people. If you are one of those friendly people, come say, "Hello. What's happening? Good to see you!"

Please mark your calendar for Thursday, September 5 at 9:45. See you then!

Library News

By Chris Selinsky

In July and August and each Wednesday, you may have thought the library was open. However, it was only open for those who signed-up for the Summer Reading Games. Every week we read books, created something, solved puzzles, and socialized. Many won prizes and on the last day, we celebrated by eating pizza and cake. We thank everyone who donated and contributed to this program. This library promotes reading, learning and brings the community together.

The Mohave County Board of Supervisors hired a new Library Director and she will start her job this August. The Library District will continue their weekly program for the adults and children in the Fall. Look for future advertisements in the Meadview Community News.

In August the book discussion group read Mudbound, by Hillary Jordan. In September you can check the library to find out the next book that we will be reading. The next discussion will be on October 18th. at 10:00 A.M.

The next meeting for the Friends of the Meadview Library will be on September 20th. at 10:00 A.M.

For new people and for those who forget, the library hours are: Tuesdays, 10-5 P.M; Thursdays, 11:00- 6 P.M. and Saturdays, 10-4 P.M.

We're BACK!!! Meadview Quail members are excited about the new year. Club members are committed to working hard to raise money for our SCHOLARSHIP Fund. Last year along with the Kingman Morning Glories we gave \$7,000.00 to seniors from Mt Tipton, Kingman High School and Kingman Academy of Learning. We also give school supplies to the children who attend Mt Tipton.

HELP A VET

by Suzann Newell

A recent event, Operation Help a Vet, was held at Timeout Tavern with the money from raffles, drinks and food going to help bring about the opening of a center where veterans can go to relax, watch television, use a computer, use the exercise equipment. No Bar, No Smoking, No Drinking allowed, but a center where the vet can get peer counseling, find resources for housing, employment and information on government assistance. Out of the Sandbox is the name of the planned center.

The origin of the name: Iraq and Afghanistan are known as the sandbox. The backers of this project are hopeful they will be able to move into the old Central Commercial Building on 4th Street in Kingman, but first they need the money. Rick Shelby, of Kingman, is the director of the Kingman Veterans Memorial Trust (KVMT) whose guiding principle is "We Honor Those Who Served". For more information go to KVMT.org or trustee@KVMT.org or call 928-266-3600

EXPLORERS and OVER-the-HILL HIKERS

By Suzann Newell

Wow! A great trip! What fantastic views! These are the reactions of those adventurous souls who spent a few days in jeeps and ATV's visiting some 13,000 foot mountains in west-central Colorado. The group started their visit from Lake City and visited ghost towns, old mines and various mountain passes, all located within sight of Colorado's largest wild fire this past June. They planned to drive over Wolf Creek Pass, into Creede and then north to Lake City, but the Pass was closed by this raging fire, so they drove south from Grand Junction to get to their starting point, but from then on they enjoyed the cool weather, the thin air of that high altitude and the breathtaking vistas of the Colorado high country. We invite you to join the Explorers at our fall meeting, Wednesday September 11. We meet in the MCA auditorium at 6:30 p.m., and we will be sharing photos of our summer vacations and planning new adventures and hikes.
