President's Letter to the Members

Well, it's been hot, so thank the lord for the pool. It's been getting quite a bit of use. Now down to business. I'm working on sending ALL the Utility Companies a notice to provide us with an emergency plan. Including a procedure of how a customer or citizen is to file a complaint. It seems they (the Companies) make it very difficult to do so. I have also contacted the sheriff office and tried to do the same.

As our area grows, and lots get built on in-between existing homes. It is very important to follow ALL CCR'S to avoid fine. Before You Build is requirement and helps you as a citizen of Meadview avoid the fines.

Monsoon season is here and erosion is everywhere, so please don't flood your neighbors home and land due to excavation. October 10th is our 4th quarterly meeting so please attend and get resents updates. As always if you have any questions, please call the MCA. Don't rely on second hand information when you can get it first hand from the ladies at the office.

PURPOSE...

The purpose of our Meadview Civic Association is to foster & encourage the civic advancement of our members and/or property owners. However, Social Membership applications are also cogitated.

In August of 1970, the owners of the Meadview subdivision determined that to maintain the friendly small town attraction of Meadview, a central meeting & recreational facility was needed. They set up the MCA with involuntary membership to property owners. A number of Meadview families agreed and the Articles of Incorporation were created and accepted by the State of Arizona. With an \$80,000 loan to erect the facility; construction of the lounge, kitchen and pool began January of 1971 and completed in July that same year.

SUGGESTIONS?

The MCA's Board of Governors has requested members to fill out a "Recommendation & Suggestion" slip to help the Board of Governors better understand how they can serve the MCA Members. The slips can be found in the office and the entrance area of the auditorium. The Board thanks all of you who have taken the time to fill out these slips. Some of the slips requested the Board of Governors to form shuffle board leagues, weekly card games, bring in local music bands and have miniature golf tournaments. All excellent ideas except the part about the Board doing it! The Board of Governors has made available the setting for these recreational activities, but they truly have enough to do without facilitating a type of Club Med. The MCA Members are encouraged to reach out to one another and form their own clubs or leagues. I suggest that you visit the office and ask one of the staff members to help you write a little article about your recreational interest, give your name, and a way for those interested to get in touch with you. The MCA will gladly put the article in the Monitor and on the MCA website.
